What is Library Giving Day?

Sunderland Public Library
is part of a coalition of libraries
joining forces to raise funds
through an inaugural Library
Giving Day campaign. This one-
day online fundraising event will
occur on Wednesday, April 10th
and will encourage patrons and
Library lovers to support their
library. This campaign reminds us
that libraries serve as a
cornerstone for our communities.
Beyond well-loved books, many
libraries offer innovative programs
that promote lifelong learning,
connect patrons to technology,
and advance knowledge. Join
Sunderland Public Library during
Library Giving Day! This one-day
online fundraising event will occur
on Wednesday, April 10th and we
encourage patrons and Library
lovers to make a gift in support of
your Library anytime now through

Why Give to the Friends of Sunderland Public Library?

The Sunderland Public Library is a vital symbol and resource of the Sunderland community, and relies on donations in order to maintain many of the services we provide to our patrons. The Friends of the Sunderland Public Library, Inc., is a private, non-profit charity formed to support the Sunderland Public Library. Most of the lively programs we offer, all of the technology available for our patrons to use, and many of our books and other library materials have been made possible by generous donors to the Friends of the Sunderland Public Library, Inc.

Your Library Giving Day Donation Supports our Summer Reading Program

Each year our summer reading program provides children and teens with encouragement to continue reading, learning, and growing all summer long, as well as plenty of fun, free events to participate in.

Past Summer Reading Programs Sponsored by the Friends of Sunderland Public Library

A 3D Printing Party provided teens with the opportunity to design and build their own creations using new technology.

The Dinoman brought his life-sized dinosaurs to our library, teaching children the science behind these creatures of the past.

Audiences were amazed by a magic show.

Our Iron Chef competition encouraged kids to get creative with their food.
