# TEEN ADVISORY BOARD

Have fun, get involved, and make a difference at the library! TAB members meet once monthly to give input about new books, programs and services for teens. All teens are welcome to attend meetings. TAB is open to ages 13-18 years old in grades 8-12. This is an in-person event. For your safety and ours, masks are still required.

Registration is recommended.

*TAB programs are supported by the Friends of the Library.*
