# Staying Safe at Storytime

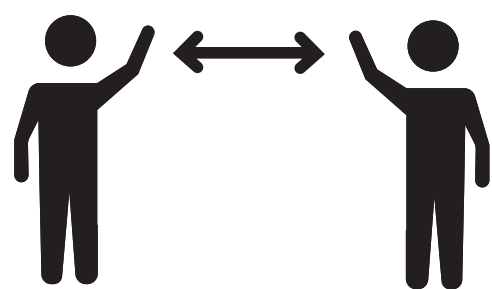

We call ahead and stay home from storytime if we are feeling sick or if anyone in our household is waiting for COVID-19 test results.

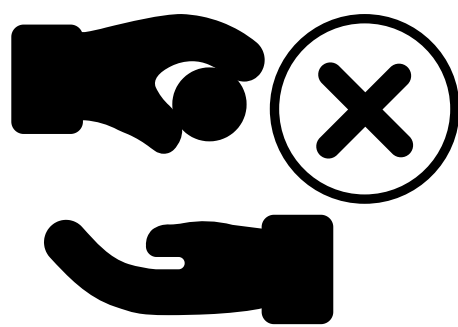

Everyone ages 2 and up wears a mask that covers their mouth and nose at all times.

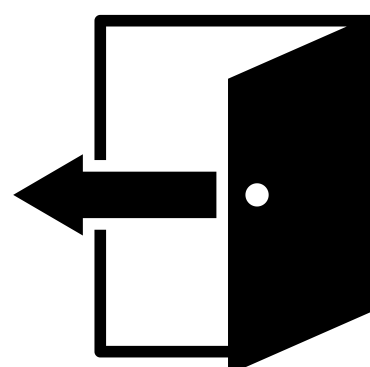

We wash or sanitize our hands before coming into the storytime room.

We give everyone space and keep our hands to ourselves.

We don't share scarves, egg shakers, or other props.

We may be asked to leave storytime if we are having a hard time following the rules.
